★ SPECIAL TOUCH

BRIGHTEN A ROOM!

Talk about a festival of lights. **Oprah Winfrey's** L.A.-based party planner, Colin Cowie, 49, sets tables aglow! Place several flashlights faceup on the floor underneath a glass table, and cover with a floor-length white linen tablecloth. The light will diffuse through the thin fabric. "It looks überchic," raves Cowie. As for the tabletop, a gold or silver runner helps anchor the look, he tells *Us*. "I also fit votives wherever I can. There's no such thing as too many candles!"

PARTY GAME

"Every New Year's, right before midnight, my friends and I write down one wish on a piece of paper and throw it into a fireplace. Once your wish has totally burned, it will come true!"

Karina Smirnoff, 33, tells *Us*
