CHARITABLE EVENTS

Welcome to Colin Cowie Lifestyle.

Over the last two decades CCL has grown and evolved to become the premiere event design and production company, servicing clients worldwide. While you may know us for our more publicized grand-scale events, Colin Cowie Lifestyle also produces numerous events of all sizes and scale for our corporate and private clients, as well as charitable foundations. We plan each and every event with the same sensibility we have become known for: no detail is too small, no request too large.

At Colin Cowie Lifestyle, we are dedicated to producing unique events and extraordinary experiences that create lasting impressions and fond memories for you and your guests. We are committed to ensuring that we deliver a distinct message that resonates clearly, subtly and powerfully.

I've built a team of seasoned professionals - some of the best, most creative minds in the business - that work closely with me and our creative partners to design your event, ensuring it achieves its intended purpose.

With this in mind, I ask that you consider us for your next gala so that we can show you how we deliver a tastefully executed event with the highest level of sophistication and professionalism.

Allow Colin Cowie Lifestyle to light up your next event with our 5-senses approach. Smell, see, hear, taste and feel what it is we do to make it a celebration you and your guests will remember for a lifetime.

Let the fun begin!

Colin Cowie

A grand event space with a large, ornate chandelier hanging from the ceiling. The ceiling is decorated with numerous small, star-shaped lights, creating a magical, starry atmosphere. The room is framed by large, white, pleated curtains that are illuminated from below, casting a soft glow. In the background, a stage area is visible with various equipment and lighting fixtures. The overall scene is one of elegance and high-end event production.

Over the last two decades Colin Cowie Lifestyle (CCL) has helped clients from multiple markets entertain on almost every continent. We facilitate the entire process by providing one-stop event design and production services that encompass everything from initial concept development and presentation to production implementation and running of show.

The goal is always to develop an event that is created around your mission and expressed target results. We learn about each client, find the best fit, maintain an unrivaled level of excellence, and keep a close eye on your budget. We ensure that every detail conveys your organization's sense of purpose and leaves a lasting impression.

A group of approximately 15 people, mostly women, are standing on a stage outdoors. They are dressed in white outfits, including dresses, blouses, and trousers. In the center, a woman wearing a dark blazer and light-colored trousers is speaking into a microphone. To her right, another woman is holding a microphone. In the foreground, there is a green rectangular planter filled with white flowers. The background shows a clear sky and some distant hills or buildings.

To reflect this commitment, we now offer non-profits a reduced flat fee for our services, helping you maximize the funds available for your programs and initiatives. Charitable organizations we have worked with in the past include the CFDA, Elton John Aids Foundation, Los Angeles Opera, Milken Cancer Foundation, Rodin Museum and the Whitney Museum, to name a few.

WHITNEY

We are often asked, “How much will my event cost?” The short answer is, as little, or as much as your budget allows. If you have not set a budget we can help you build one around the particulars of your event and your expressed wishes.
